

Boone County Conservation District

Pre-K Program

The Salamander Room

This is an interactive program where students help transform a child's bedroom into a suitable habitat for a salamander. As we progress through the book, students add elements to our "bedroom" to recreate the vision from the book. On site visits include a nature walk and a visit with our very own live salamander.

This program addresses Illinois Early Learning and Development Standards (2.A.ECa, 2.B.ECa, 2.B.ECb, 2.D.ECa, 12.B.ECa, 12.B.ECb, 13.B.ECa)

Cost: **\$2/ student in-county**
 \$4/ student out-of-county

Where: **On-site or In-school option**

When: **Program offered year round**

Time: **In-school: 45 minutes**
 On-site: 1-1/2 - 2 hours
