Boone County Conservation District

Summer Camp

PARENT MANUAL

psst...

There’s important stuff in here!
Welcome to Camp!

Thank you for choosing to enroll your child in one of our summer camp programs. This manual is to orient you and your child with our camps. Whether your child is coming to Camp Redwing, Ducktails, or Redtail, this should give you all the information that you will need for the camp season. Our programs will be conducted with safety for the campers and staff being our primary concern. We welcome campers of all abilities to our summer camps. For information about compliance with the American with Disabilities Act, please feel free to contact the Camp Director at (815) 547-7935.

Camp Goals

Ducktails
Ducktails is a preschool camp with a half-day morning session once a week for 4 & 5 year old’s. The goal of Camp Ducktails is to expose preschool children to the natural world and instill within them a curiosity about nature that leads to positive experiences and lasting respect.

Redwing
Camp Redwing is a day camp program for ages 6 to 11 years. The goal of Camp Redwing is to help young people develop a life-long appreciation for the natural world and a desire to conserve its resources.

Redtail
Camp Redtail offers 4-day outdoor adventure camping trips for ages 12 to 15 years. The goal of Camp Redtail is to model the principles of responsible outdoor recreation to young people by:

- Identifying nearby outdoor recreation opportunities.
- Teaching outdoor life skills and building self-confidence.
- Stressing the importance of habitat preservation.
- Modeling safe outdoor recreation habits.
- Teaching Leave No Trace™ practices.

Our recommended age range for campers enables us to have camp groups that understand the camp activity and can participate safely and enjoyably. We reserve the right to allow campers of a different age in a group.
Registration

Registration begins on or about April 1st of each year. A deposit is required at the time of registration and all paperwork must be completed then. **Deposits are non-refundable after June 1st.**

Payments
Payments should be made at the BCCD office prior to each week of camp registered. Please do not make payments at camp. Cash and checks are accepted for payment.

Camp T-Shirts
Each camper will receive one free t-shirt the first week attended. Additional shirts and past seasons' t-shirts can be purchased for $5 while supplies last. The purchase of camp t-shirts supports our scholarship fund.

Scholarships
Scholarships are available to qualifying families for a portion of the registration fee. Please request a form at the time of registration. They are awarded while funds last.

Absences
If a camper is unable to attend camp for a day, please inform our office that morning at (815) 547-7935. No refund is available for days missed. If a camper is unable to attend an entire week of camp, please notify the office ASAP. We do have a waiting list, and a replacement may be made. **Your deposit is non-refundable after June 1st, regardless of whether a replacement is made.**

Photographs
Parents are asked to sign a photo release. Camp pictures are not available to purchase but they will be posted on our Facebook page for you to view. You will need to become a fan of our page to do so. Photos may also be used in future advertising, newspaper articles, and camp information.
Donations

In an effort to defray the costs of our programs we solicit donations. Each year we receive many gracious donations from local businesses and camp families. Every summer the camp provides popsicles, snacks, and lemonade to our campers. If any family would like to donate to our summer camp programs, below are a few items that we go through on a regular basis. These items can be brought directly to camp or dropped off at the BCCD office.

- Popsicles
- Goldfish crackers
- Fruit snacks
- Teddy grahams
- Animal crackers
- Lemonade mix - sweetened

Gift certificates and/or monetary donations can also be given. Please contact us with any questions. We appreciate all contributions to our summer camp programs. Thank you for your support!!

Weather

The camp director follows the daily weather forecast and tries to anticipate any weather-related issues that may occur. The staff is aware that weather situations may arise at any time and is constantly monitoring the weather. In the event of severe weather, campers will be moved to the Administration Center where a storm shelter is located if needed.

Please send your child with appropriate clothing on rainy days or when rain is in the forecast. On overly hot and humid days we try to stay in the shade and limit high energy activities. We also remind the campers to keep sipping on their water bottles so that they stay hydrated. It is essential for you to send a water bottle every day. Please call the office if you have any concerns regarding our weather procedures.
Camp Redwing Basics

- Camp Redwing began in the 1970’s in conjunction with the Belvidere YMCA.

- Camp Redwing is divided into three groups based on age: Nestlings, Fledglings, and Flyers; with an average of ten campers per group.*

- Each group is staffed with two First-Aid certified counselors. Every staff member undergoes 40 hours of training in child development, environmental education, safety procedures, and leadership. Junior counselors must be at least 15 years old, and lead counselors must be at least 18 years old. Background checks and drug screens are performed on all staff interacting with children.

- Camp hours are from 9:00 a.m. to 3:00 p.m. Every camper is to be signed in and out by an adult every day. Only the people you authorize on the camper registration form will be allowed to pick up the camper. NO EXCEPTIONS! If you choose to add or remove an individual from the pickup list, please notify our staff before the end of the day. If an individual who is not on the list comes to pick up the camper, the child will not be released.

- Camp is based out of the Rec Hall in Spencer Conservation Area. Area closed signs are posted for the general public during camp hours. Parking is marked at the Rec Hall for pick up and drop off. Please follow the traffic signs and obey the speed limit.

- Camp staff is in radio contact at all times. Emergency personnel can be contacted immediately if necessary.

*Please note that being in a certain group one year does not necessarily constitute being moved up the next year. The breakdown of numbers fluctuates from year to year. Group size limits must be maintained for safety reasons. We thank you for your understanding.

Camp is a mix of active and passive time. To be sure that every camper has a safe and enjoyable experience, we have a list of typical activities, safety requirements, and modifications we will make due to disability.
Clothing & Activities

Non-brightly colored clothing and unscented bath products will help reduce insect bites and stings. Because of the nature of our camp and the possibility of ticks, *we recommend campers wear tennis shoes and socks. No flip flops! Sandals (not flip flops) are acceptable on Wednesdays, or on days when the weather is very hot and/or humid.

*Sunglasses, hats, bug spray and sunscreen are all recommended.*

Please mark all items clearly with your child’s name.

*It is very important that your child bring a water bottle each day.*

*There is a possibility that your child will get a tick. Ticks like warm areas on our bodies and are generally found on the scalp. However, this is not the only place they can be found. A simple check every night will help to keep your child safe.*

Fishing

Fishing takes place at Spencer Conservation Area in one of our ponds. The campers are required to wear life jackets at all times while near the water. A fishing instructor and all equipment (poles, bait, etc.) are provided.
Camp Redwing Lunch

Please pack a nutritious lunch with your child every day. Lemonade will be provided for all meals except Friday (field trip). Do not send carbonated beverages, as they can be dehydrating. Remind your camper to eat a good breakfast so he or she has plenty of energy for fun!

Please help your child pack lunch in reusable containers that can be rinsed out and used the entire week. All campers are encouraged to participate in our "No Waste Challenge." The total amount of trash collected during lunch each day is charted. Our goal for the summer is to reduce the amount of trash collected each week. We appreciate your help.

Redwing Swimming

Every Wednesday Camp Redwing campers go swimming at the YMCA after lunch. Campers are shuttled to and from the YMCA by bus. Campers leave Spencer Conservation Area at 12:30 p.m. and return at 2:30 p.m., approximately. Be sure to accurately note your child’s swimming ability on the registration form and notify the camp staff of any restrictions or limitations (i.e. shallow end only).

Any camper wishing to swim in the deep end of the pool must pass a swimming ability test conducted by the lifeguards at the YMCA. Color coded wrist bands will help us to identify those who pass the test.

Please make sure to pack a suit and towel with your child. If a camper forgets his/her swimming gear, every attempt will be made to contact you. Goggles, earplugs and nose plugs are allowed, however, face masks that cover the face and nose are prohibited by the YMCA. Water wings and floaties are also prohibited. Your child will be provided with foam flotation devices if requested.
Native Planting

Each week the campers head down to the camp prairie or savanna where they learn about the importance of native habitats. Each camper gets to plant several young plants. They learn the names of their plants and some interesting facts. Take a trip down to visit our planting sites and ask your camper to tell you about their plants.

Camp Family Night

Campers and their families are invited to Family Night every Thursday at 6:30 p.m. Please join the campers and staff for a fun filled night of skits, songs, and treats. Campers can pick up their crafts and show you the cool things they learned in camp that week. An outstanding camper is recognized each week as “Camper of the Week.” We meet at the pavilion in Spencer Conservation Area. We hope to see you there!

Redwing Field Trips

Every Friday Camp Redwing goes on an educational field trip that relates to the theme of the week. It is strongly recommended that you drop your camper off by 8:45 on Friday mornings. Some weeks we may ask you to arrive even earlier. If you arrive late, the bus may have left. The bus will not return to camp until 3:00 p.m. and we may arrive late if traffic is congested. Your patience and cooperation are greatly appreciated.

Please pack a drink in your child’s lunch on Friday. Lemonade will not be provided on field trip days. On some occasions we may be visiting a gift shop. If you wish to send money with your child please send no more than $5 or $10, but it is not necessary to send any money at all.

Friday is also “Camp Shirt Day.” Please send your child to camp wearing the current Camp Redwing t-shirt. It makes it easier to keep our group together if everyone is wearing the same shirt. The campers may wear the camp shirt any other day of the week as well.
Redwing Camper Rules

Campers will...

★ Treat everyone with respect.
★ Obey counselors and follow directions.
★ Always stay with their groups.
★ Wear a shirt and shoes at all times.
★ Wear a life jacket when fishing.
★ Drink lots of water.
★ Treat all wildlife with respect.
★ Be good scientists and explorers.
★ Walk in heavily wooded areas.
★ Keep rocks, sticks, and sand on the ground.
★ Cross all roads with a counselor.
★ Respect others’ property.
★ Use respectful language.
★ Leave inappropriate items, like pocket knives, at home.

Discipline Code

The Discipline Code is to maintain the safety and well-being of all campers & staff. If a camper chooses not to obey the rules, the following may occur:

1. Three warnings from a counselor.
2. Time out from group activity or swim time.
3. Sent to Camp Director. Lead counselor will speak with parent at end of day and document problem. Three write-ups may result in the camper being dismissed for the week.
4. Notify parents and send child home for the day.
5. Camper dismissed for the week and/or entire summer.

The severity and/or frequency of discipline problems will determine notification of parents and the degree of dismissal. Any incident that causes physical damage to campers, staff, or property will result in automatic notification of parents and possible dismissal.
Camp Ducktails Basics

Camp Ducktails is located in Spencer Conservation Area near the Rec Hall. Sessions run from 9 a.m. – 11:30 a.m. and meet on Thursday. **Campers must be signed in and out by an authorized adult.** Each session is run by the BCCD education staff and a volunteer. Groups are limited to 10 campers. Please call if your child will be absent (815) 547-7935.

Ducktails activities include nature walks, songs, crafts, games, and story time. A small snack is provided each day. Ducktails sessions are nature-themed, and campers will spend time learning about the topic of the day and having fun!

Non-brightly colored clothing and unscented bath products will help reduce insect bites and stings. If your child is particularly bothered by insects we recommend that he/she wear long pants. Sandals and flip flops do not make good walking shoes. Please be sure to send bug spray, sunscreen and a water bottle with your camper. **It is a good idea to check for ticks.**

Camp is a mix of active and passive time. To be sure that every camper has a safe and enjoyable experience, we have a list of typical activities, safety requirements, and modifications we will make due to disability.

**Ducktail Camper Rules**

- Campers will treat everyone and everything with respect.
- Campers will listen to counselors and follow directions.
- Campers will **always** stay with their leaders.
- Campers will wear a shirt and shoes at all times.
- Campers will walk on nature hikes.
- Campers will remember to share.
- Campers will put trash in the right place.
- Campers will not throw rocks, sticks or sand.
- Campers will not hurt others.
- Campers will have fun and learn new things!

**Discipline Code**

The discipline code is to maintain the safety and well-being of all campers & staff. **If a camper chooses not to obey the rules, the following may occur:**

1. Three warnings.
2. Five-minute time out.
4. Three write-ups may result in camper being dismissed.
Redtail introduces minimum impact camping and outdoor adventure skills to pre-teens. Our trips are in a three-year rotation which includes backpacking in the Porcupine Mountains, canoeing in the Sylvania Wilderness Area, and caving in Maquoketa Caves State Park.

No prior camping experience is necessary, but some trips are more challenging than others, i.e. rugged terrain, physical exertion, primitive to non-existent amenities. This is not car camping! All equipment is provided, except sleeping bags, clothing, and personal gear.

The trips are led by the BCCD camp director, who is certified as a Wilderness First Responder, and one additional adult hired by the BCCD; along with the help of a volunteer assistant leader chosen from previous Redtail campers. Every trip incorporates Leave No Trace™ principles, outdoor cooking, camping, and safety. Groups are kept to a limited number based on wilderness camping guidelines.

**Warning:** Campers will canoe, hike, backpack, sleep in a tent, ride horses, cook meals, pump water, use outdoor restrooms, pitch tents, and be exposed to insects and mosquitoes. A long car ride is also a necessary part of camp. Except in the case of an emergency evacuation, staff is prohibited from carrying campers.

**Parent/Camper Orientation**

Every Redtail camper and his/her parent(s) must attend the orientation session. This session is held about two weeks before the first trip. It covers safety issues, “What to Bring/What to Pack”, how to pitch your tent, rules and guidelines, the trip agenda, and will answer any questions the parents or campers may have. This is a mandatory meeting. Failure to attend will result in being excluded from trips and forfeiture of deposit. There are NO exceptions made for first time Redtail campers.
**Redtail Trip Rules**

- Stay hydrated, eat sensibly
- Wear appropriate safety gear
- Stay with group, use buddy system
- No pocket knives with blades longer than 3”
- Wash dishes, help with cooking
- Be responsible for your own tent
- Keep area clean
- Follow all directions
- Respect park property and the property of others
- Stay in assigned tents after lights out (no coed tents)
- Follow all park rules, including quiet hours
- No littering or taking of natural items
- No foul language or gestures
- No cigarettes, drugs, or alcohol
- Treat each other with common courtesy and respect

**Prohibited Items**

*All bags are inspected prior to departure.*

- No cell phones
- No lighters/matches
- No weapons of any kind
- No coolers or personal tents
- Nothing you can’t afford to lose!
- No ultra-caffeinated/high energy drinks

Any intentional action that results in harm to another person or self or puts another person or self at risk will result in camper’s parents being called and asked to come and remove him/her from camp. No refund will be issued and camper will not be permitted to attend another camp. The consequences will be the same for any other serious offense, including but not limited to possessing and/or being in the presence of drugs or alcohol.
Dealing with Ticks at Camp

Remember these are outdoor programs and campers may come into contact with ticks. Remind campers to check for ticks each evening after camp, especially under armpits, behind knees, in hair, and near the groin. If a tick becomes attached to the skin, follow these steps recommended by the CDC:

1. Use fine-tipped tweezers to grasp the tick at the surface of your skin.
2. Pull the tick straight up and out. Don’t twist or jerk the tick - this can cause the mouth parts to break off and stay in the skin. If this happens, remove the mouth parts with tweezers if you can. If not, leave them alone and let your skin heal.
3. Clean the bite and your hands with rubbing alcohol, an iodine scrub, or soap and water.
4. You may get a small bump or redness that goes away in 1-2 days, like a mosquito bite. This is not a sign that you have Lyme disease.
5. Do not put hot matches, nail polish, or petroleum jelly on the tick to try to make it pull away from your skin.

If a tick has attached itself, watch the area for signs of a rash after removal. If campers develop a fever, a rash, fatigue, facial paralysis, or joint pains within 30 days of being bitten by a tick, see your doctor.

Anti-Bullying Policy

Bullying, intimidation, and harassment are prohibited on the basis of actual or perceived: race; color; nationality; sex; sexual orientation; gender identity; gender-related identity or expression; ancestry; age; religion; physical or mental disability; order of protection status; status of being homeless; actual or potential marital or parental status, including pregnancy; association with a person or group with one or more of the aforementioned actual or perceived characteristics; or any other distinguishing characteristic.

The District will not tolerate harassing, intimidating conduct, or bullying whether verbal, physical, or visual, or any behavior that creates an intimidating, hostile, or an offensive environment. Examples of prohibited conduct include name-calling, using derogatory slurs, stalking, causing psychological harm, threatening or causing physical harm, threatened or actual destruction of property, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above, this includes cyber-bullying through the use of technology or electronic communication.

Claims or incidences of bullying, harassment, or intimidation during any educational program should be reported to the Education Director or to the Director of Operations if incident occurs during a public event or in the workplace. Complaints will be kept confidential to the extent possible given the need to investigate.

Any program participant who is determined, after an investigation, to have engaged in conduct prohibited by this policy may be subject to disciplinary action, including but not limited to, suspension and expulsion from educational and/or other program(s) or District facilities. Any employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action up to and including discharge.

Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to disciplinary action up to and including discharge, with regard to employees, or suspension and expulsion, with regard to program participants.
WE GET KIDS OUTSIDE!
