

# Pre-K Program

## *The Salamander Room*

*This is an interactive program where students help transform a child's bedroom into a suitable habitat for a salamander. As we progress through the book, students add elements to our "bedroom" to recreate the vision from the book. On site visits include a nature walk and a visit with our animal ambassadors.*

**Cost:**      \$4/student in-county  
                  \$5/student out-of-county

**Where:**    On-site or In-school option

**When:**     Program offered year round

**Time:**     In-school: 45 min (we come to you)  
                  On-site: 1.5– 2 hours (you come to us)  
                  *You may also choose to stay and have lunch.*

Illinois Early  
Learning Standards
